
As part of G P Embelton & Co Pty Ltd's commitment to our two (2) GECA Certified products, a take back option for the materials covered is offered to our clients after purchase.

Should the purchaser wish to return Embelton GECA certified products sold since our license was issued, they must follow the procedure below:

Embelton certified products can be returned to our Coburg Warehouse Trade Centre*, all certified products must be returned to G P Embelton & Co Pty Ltd.'s Coburg Warehouse, at no cost G P Embelton & Co Pty Ltd.

1. All certified products to be returned must be dry, clean and free of any foreign substances and contaminations.
2. All Products are to be secured on pallets.
3. Submit to GP Embelton & Co Pty Ltd in writing, an initial request and provide copies of:
 - a) Original Purchase Order - Tax Invoice
 - b) Confirmation of total amount of product to be returned
 - c) Indicate means of transportation method
 - d) Advise estimated arrival date to G P Embelton & Co Pty Ltd - Coburg Warehouse
4. Upon receipt of the above documents G P Embelton & Co Pty Ltd shall make contact with the appointed contact person.
5. A sample piece of the material/s to be returned must be returned to G P Embelton & Co Pty Ltd.
6. Upon approval of product and acceptance of the return application – G P Embelton & Co Pty Ltd will issue a "Product Return Contract" with the applicant after signature of which, shipment to G P Embelton & Co Pty Ltd can be organised by the purchaser.
